- Please keep the door closed to the studio while using the studio.
- There is to be no photography inside the building, the only photography to be done is inside the studios.
- If using the paper backdrops please only wear shoes or footwear on the actual backdrop if absolutely necessary, otherwise please wear just socks or bare foot to help limit wear and tear on the backdrops.
- Also if using the paper backdrops please do not use any kind of oil on your feet or lay on the backdrop, this will heavily damage the backdrops.
- When moving furniture (besides the bed) please lift to move that furniture as long as you are comfortable doing so and not just slide it across the floor.
- Please keep the music at a reasonable volume.
- Please make sure to look over the room before leaving and put things/furniture back where you found them.
- If our members aren't there when your time is up/you leaving the studio, please make sure to lock the bottom lock and FULLY close the door behind you on the way out. Please also shoot a text letting us know you are leaving.
- When reserving a block of time (2hr,4hr,8hr) that includes set up and break down time as well as cleanup of the studio.
- Also, please enjoy your time with us and have a great shoot! 😊
